# Mapping Our World!

Follow the directions below. Put a check mark in each box as your group completes each task.

First, draw with pencil.

Next, outline with marker {if you wish}.

Last, color with crayons.

- 1. Write the title of your map. Cut it out and glue it to the top of your paper.
- 2. Draw a compass rose at the North-East corner of your paper {the top right corner}
- 3. Decide on what symbols to use on your map key. Fill out the map key page. Then glue the map key to the South-East corner of your paper {bottom right corner}
- 4. Draw your school in the middle of the page.
- 5. Point to the school. Go north. Draw the fire station.
- 6. Point to the school. Go east. Draw the playground.

→ → →

- 7. Point to the playground. Go south. Draw the pond.
- 8. Point to the fire station. Go west. Draw the library.
- 9. Point to the pond. Go west. Draw the grocery store.
- 10. Point to the library. Go south. Draw McDonald's.
- 11. Now color your map neatly!

# Map Key

School

Fire Station

Playground

Pond

Library

Grocery Store

McDonald's

## Mapping Our World!

Follow the directions below. Put a check mark in each box as your group completes each task.

First, draw with pencil.

Next, outline with marker {if you wish}.

Last, color with crayons.

1. Write the title of your map. Cut it out and glue it to the top of your paper.
2. Draw a compass rose at the North-East corner of your paper {the top right corner}
3. Decide on what symbols to use on your map key. Fill out the map key page. Then glue the map key to the South-East corner of your paper {bottom right corner}
4. Draw your school in the middle of the page.
5. Point to the school. Go north. Draw the fire station.

Be sure to read Mapping Penny's World before doing this activity! It is a terrific intro to mapping skills! 😊
